Re: Notice of Utilities Services of South Carolina, Inc.'s, ("USSC") failure to obtain Commission approval prior to implementing increase in Bulk Water Provider Rates

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") has reviewed USSC's letter dated November 8, 2010, and would request that the Commission establish a deadline for the filing of the report referenced in its letter. Additionally, the report should include the date USSC received notice from the bulk water provider of the increase either via correspondence or service invoice, the date the rate increase was implemented by USSC on customer bills, and the dollar amount of the increase in base facilities charge and/or commodity charge per 1,000 gallons or its equivalent along with the amounts refunded.

Respectfully submitted,

Nanette S. Edwards
